You will be proud to hunt this handsome, well muscled ruggedly built Canadian-bred draft cross sport horse.

Nickie is a willing obedient partner currently ridden by a 100lb 60yr dressage rider. He is sensibly curious when hacked out alone in fields or hills and on country roads in a KK snaffle.

He has good ground manners - clips, loads nicely and travels well. Behaves at shows.

Offered for sale because his talents are jumping and owner's interests are in dressage.

Price: \$15,000
