

High School Teachers Workshop Fall 2013

Dr. Barbara G. Ryder
J. Byron Maupin Professor of Engineering
Head - Department of Computer Science
Virginia Tech

CS - By the numbers

- 36 faculty (32 Bburg, 4 NCR; 5F:32M);
 - 10+ research scientists and postdocs, 2 senior instructors; 3 academic advisors
- AY2012-13 grads: 128 BS, 35 MS, 33 PhD (24%F)
- In the pipeline: ~550 CS majors, 167 PhD students, 61 MS students
- FY13:
 - ~\$11M in research expenditures
 - \$8.2M in new grant funding
 - FY14 started with ~\$34M in total research funding
- 85+ industrial partner companies in CSRC

Recent Department Honors

- Named by Wall Street Journal recruiters' poll as **#5 CS Dept in US to recruit from** (Fall 2010)
 - More polls since citing CS@VT among top 10 CS depts in ROI for our CS BS degree
- Cited by NSF as top 30 program in CS PhD production
 - 18.6 per academic year since 2008-2009
- **Six NSF/DOE CAREER Awards to faculty since 2008!**
- CS undergrad selected to represent VT at National Conf on Undergrad Research, 2013 Meeting of the Minds Conf
- CS grad student winner of 2013 GTA Excellence Award from Graduate School
- **2013 Virginia Outstanding Faculty Awardee: Dr. Steve Edwards**

New CS Faculty in 2013-2014

Aditya Prakash CMU

Recent Faculty Honors

- Naren Ramakrishnan, Thomas L. Phillips
Professor of Engineering (2012)
- Wu Feng, Elizabeth and James Turner '56
Faculty Fellow (2012)
- Stephen Edwards, W.S. "Pete" White Chair
for Innovation in Engineering Education,
(2012-2014)

CSRC - Industrial partners

- 85+ member companies
- Visit twice a year to hold Career Fairs
- Provide \$\$ support for scholarships and student co-curricular activities
- Provide internship experiences

Selection of undergrad student honors

- CS students Luke Marrs, Scott Fernandez, James McIntyre, and Joe Liversedge all winners of the design competition for the **VT Arlington Research Center** (2013)
- CS undergrad Elena Nadolinski, a national winner in the NCWIT Aspirations in Computing Award competition (2011), was **one of six NCWIT winners who was honored at the White House** as part of the CS Education Week (2012)
- Association of Women in Computing (AWC) President Ariel Cohen and fellow AWC members received an **NCWIT Student Group Seed Grant** for their mentoring program (2012)
- Eeshan Shah (2011), Jacqueline Adessa(2009), Gabriel Martinez(2009) **Honorable Mention in CRA Undergraduate Research Competition**; Adessa (2010) CRA URC finalist
- Jenny Kammer (2009), Aaron Lindsay (2010), J.D. Ryding (2011) **VT C.T. Tate Senior Co-op Awards**

How Undergrads Explore CS@VT

- Opportunities to
 - Talk to famous computer scientists coming for Distinguished Lectures
 - CS & ECE women students and faculty gather for dinner with DLS speaker at Ryder home each year
 - Participate as undergrad researcher in state-of the art CS research
 - Explore interdisciplinary studies through our CS minors
 - Become an undergrad Teaching Assistant
 - Find internships and jobs
 - Attend *Grace Hopper Celebration of Women in Computing* and/or *Tapia Celebration of Diversity in Computing*
 - Meet informally with faculty during office hours
 - Participate in our several co-curricular organizations

- VTURCS
- AWC
- CS^2
- ACM Student Chapter
- UPE
- VT Gaming project
- + Clubs on mobile devices and cyber security

Co-curricular Activities

Women in Computing Day

Phi Beta Kappa

UPE Induction - 2009

SophSem100813, BGRyder

Grace Hopper 2008

Examples of CS@VT Research

CS Education Initiatives

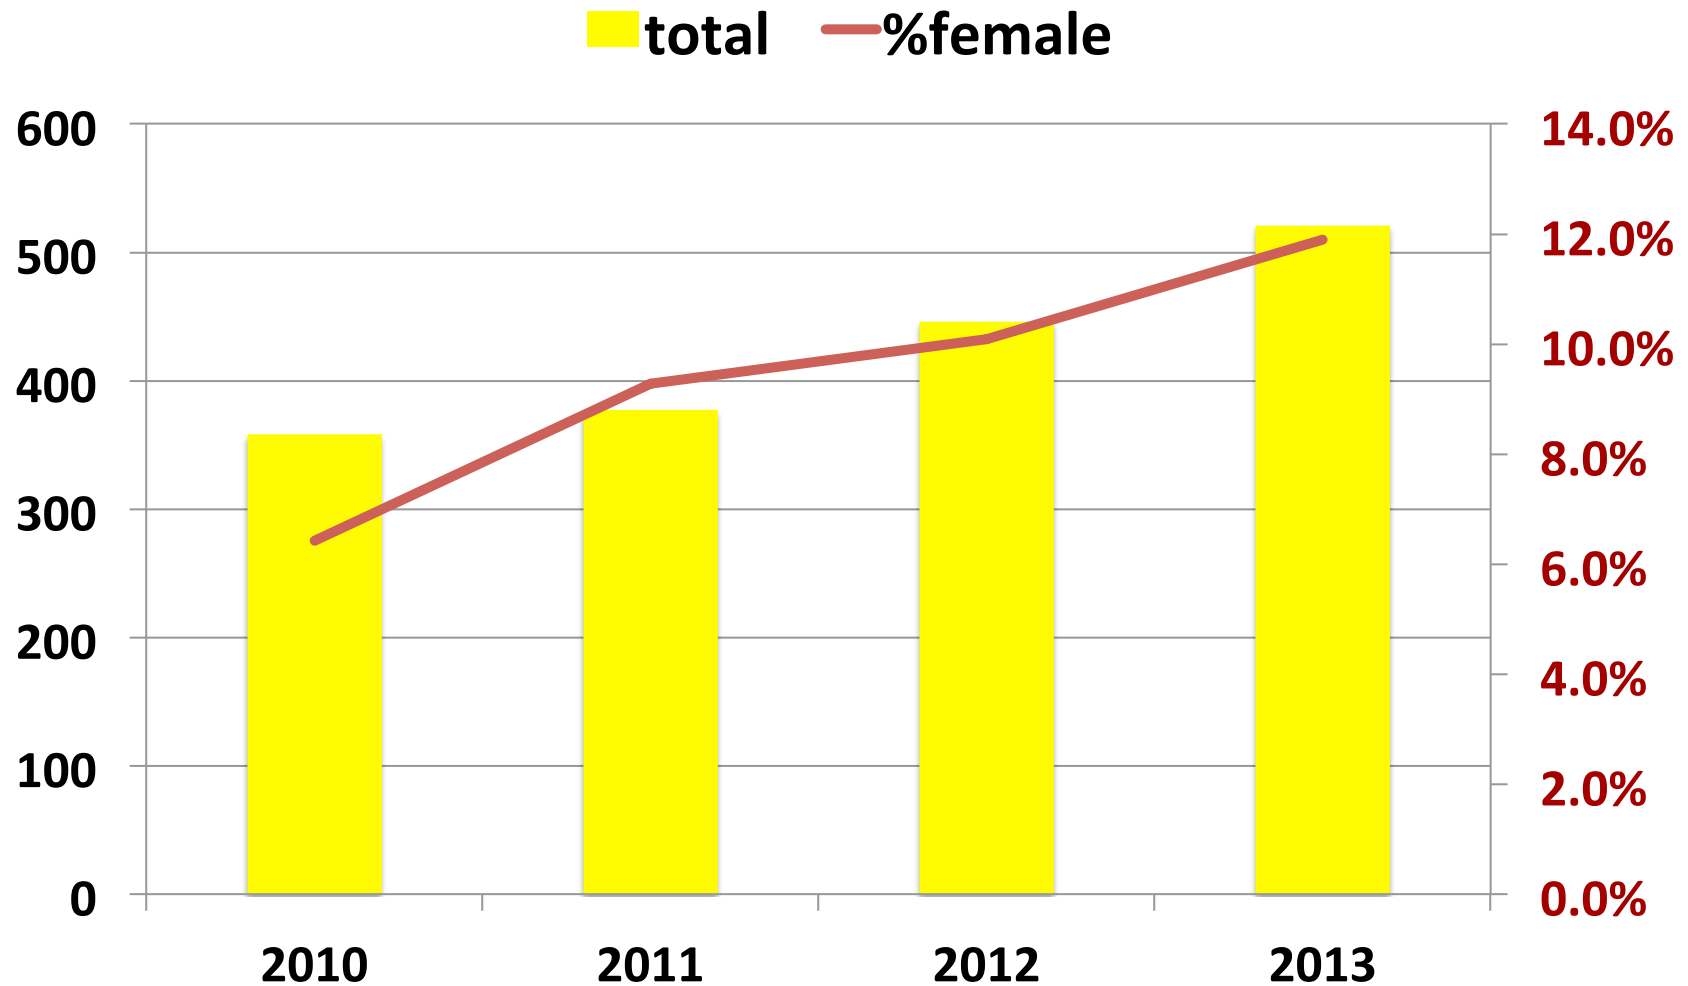

- Teaching CS beginners good SE practices
- Partnering with K-12 on new College Board CS Principles course
- Exploring new pedagogies to engage more diverse students in CS studies
- Developing course(s) in computational thinking

Recent Data on Diversity from NCWIT

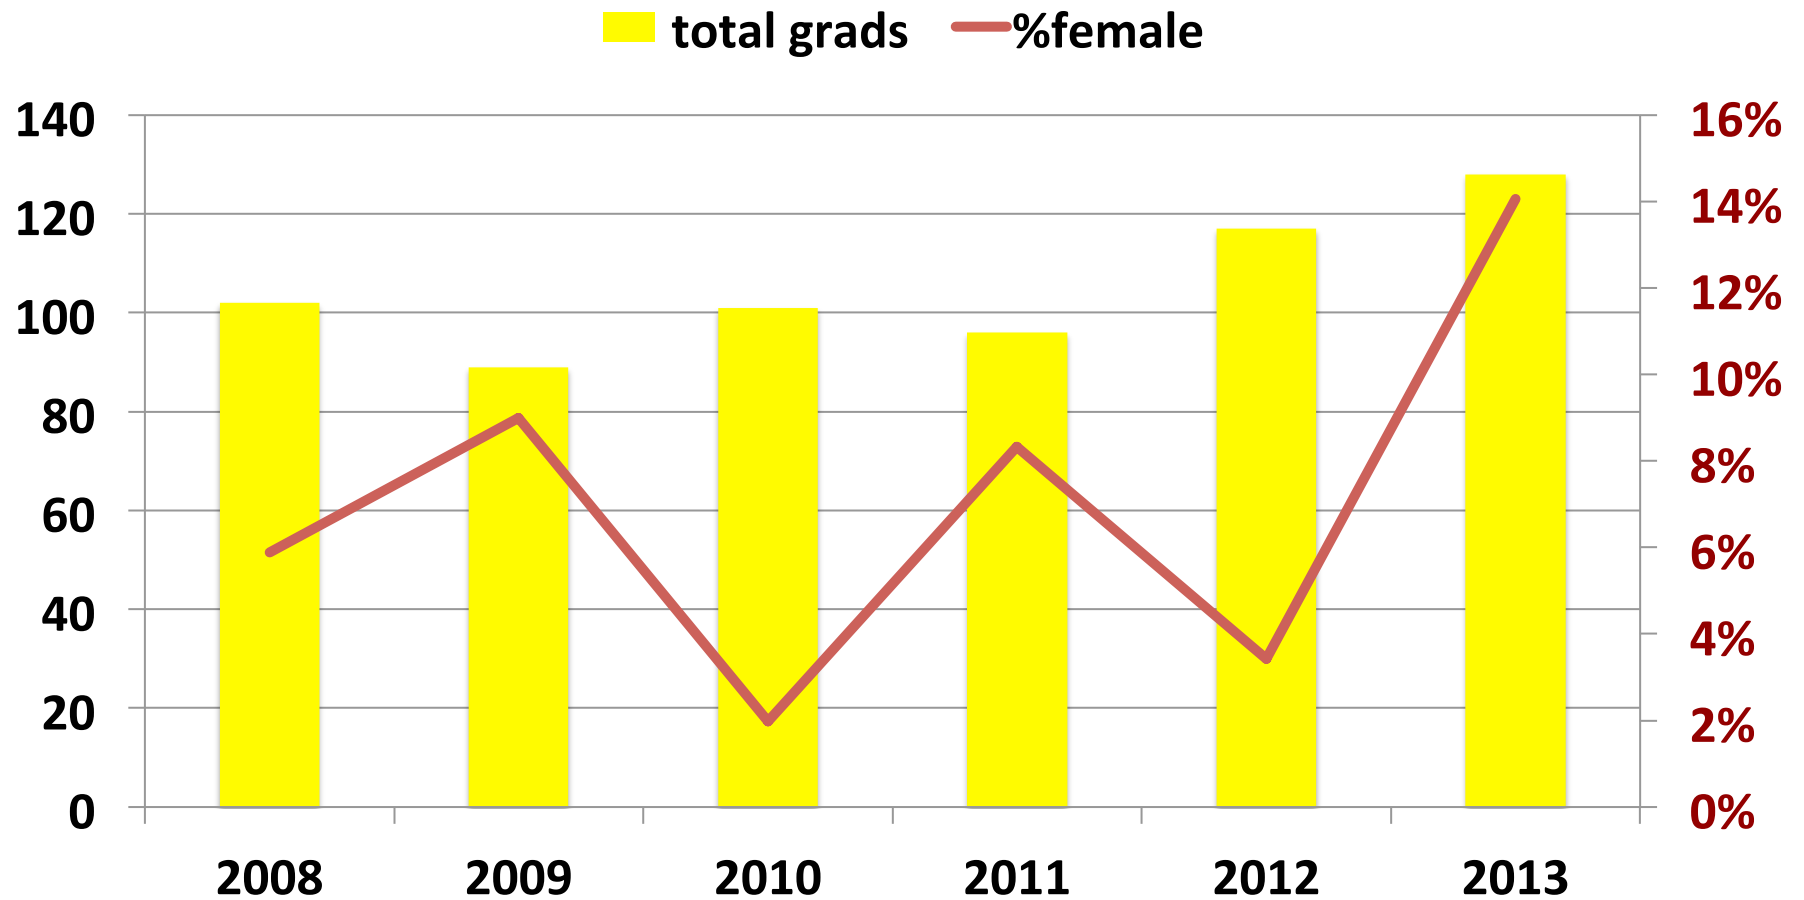

- 19% of AP CS exam takers are women
- 18% of CIS degrees are women
- Technical women leave the workforce at twice the rate of men (58%)
- Women hold 25% of US technology jobs, 19% software developer jobs, but only 5% of technology leadership jobs
- **WHAT CAN WE DO ABOUT THIS SITUATION?**

CS Majors - CS@VT

12% women in CS meets national average

Graduation Totals - CS@VT

CS@VT Diversity Initiatives

- HS visits by CS undergrads & faculty/advisors to attract underrepresented students to CS@VT
- Presentations to attract first year COE students
 - In Hypatia and Galileo engineering dorms
 - In pre-frosh summer STEP program
 - In COE summer workshops for HS women
- Membership in NCWIT
 - Pacesetters to attract 'net new women' to CS
 - Leadership in VA/DC Aspirations in Computing awards
 - 6 new women CS majors are NCWIT Aspirations national/regional award winners
- Annual sponsorship of Grace Hopper Celebration of Women in Computing and Tapia Conference on Diversity in Computing w. student attendees
- Annual HS teachers' workshops with CS@VT faculty (funded by NCWIT, Microsoft, Google)

CS@VT & NCWIT

- Pacesetters
 - (www.ncwit.org/programs-campaigns/pacesetters)
 - Campaign to increase number of net new women at universities and in industry
 - Sit With Me campaign
- VA/DC Aspirations in Computing Awards
 - www.aspirations.org
 - Targeting high school women, adding a middle school program
 - 6 NCWIT regional/national Aspirations award winners in CS@VT now
- NSF Engage grant
 - Working together to recruit more women into CS and ECE majors
